

Jan 23rd – Feb 17th 3:50-4:50 @ AJ Library
Mondays Grades K-2 & Fridays Grades 3-5

Minecraft is a sandbox building game, where the goal is to collect different materials, craft them into special items or objects and build structures and pretty much anything you want in a 3D block-like world. Come and join your friends for Minecraft Club at Arthur Jacobsen, hosted by your PTSA.

Space is limited! First-Come-First-Serve basis. Volunteers will be given priority.

Cost: \$10.00 per child (\$5.00 for PTSA members)

The deadline for all applications is January 18th
